QUALITIES OF A GOOD WORKER

Alone or with others, brainstorm a list of the qualities or attributes of a good worker. Review the list of qualities you came up with.

Underneath your list, look at the three columns titled "excellence", "ethics", and "engagement". Consider each attribute or quality you came up with for your role model individually, and try to place it in one of these three columns. If it's difficult to determine whether a word belongs in one or another column, think about or discuss with others why
