

UNIT 2 RUBRIC

Students will develop habits of reflection through examination of external dilemmas and resources.

Concerns

Areas that Need Work

Meets Criteria

Standards for This Performance

Advanced

Evidence of Exceeding Standards

Criterion 1: Demonstrate sensitivity to opportunities for and obstacles to doing good work

Criterion 2: Anticipate challenges to doing good work through narratives and stories of others

Criterion 3: Understand the value of external resources in their community (e.g., mentors, statements of purpose and standards) that help students do good work

Criterion 4: Explore alternatives and choose among options by weighing the implications different courses of action may have for various stakeholders
